

Please find the dues schedule for 2009-10. As you know, the CGW relies primarily on dues for funding, with additional support from the Columbia Gorge Wine Celebration for Hospice and available grant funding.

An operation budget based on 2008-09 expenses is currently in the works and will be available for a vote at the July Membership meeting. A budget for additional projects that would support the goals of the business plan, is also being created and will be funded pending the actual return of membership dues.

Feel free to contact your board members or coordinator if you have any questions or concerns.
